FREEDOM EXTENDS AFAR

We see where a group of prominent leaders of three faiths have joined in an appeal for the safeguarding of religious freedom as the foundation of democracy and all social, economic and political liberty.

There is no use to make the observation that freedom, if at all, includes also the right to believe in no religion, which is not what is meant by those who talk, very often, about freedom of religion. Nor would we stress unduly the obligation upon religion everywhere, when such freedom is granted, to abstain from anything like trying to regulate the various affairs of government and society except through the persuasion of example and precept.

Believing fundamentally in religious freedom and the thorough separation of church and state as the best method of obtaining so great a boon to mankind, we are, often, equally concerned lest zealous religious leaders overstep the line that should define correct activity and thus become as much the foe of religious freedom as short-sighted governmental officials who attempt by political action to destroy religion.

Townsend Plan Advocates Not Discouraged by President's Opposition

By A. E. BRUNDAGE

The administration at Washington has finally launched in the national congress its Social Security bill based on the president's plan, which is generally regarded as an insult to the nation.

And now, with the issue squarely before the country we, the Townsendites, must press our demands on Congress more strongly than ever before, and must flood our respective representatives with mail, telegrams, and postcards as never before.

We must not fail in our demand for the Townsend Plan, and it must be thoroughly emphasized that no other plan will be acceptable.

We have been led by dictators long enough and it is now up to the people to dictate to our servants or exercise our constitutional right to eliminate those who refuse to abide by our wishes.

We, the common people, are the majority in this nation, and the only weapon we have at our discretion is the ballot box. It does not cost us one cent to mark a ballot.

No Substitutes

Let us remember that, regardless of the kind of a bill, whether good or bad, in the way of an old-age security bill, if it is not the Town-

send Plan, it will not be accepted.

We have got to teach our servants in Congress that we want what we want or they must suffer elimination. Through the Townsend Plan the opportunity has arrived to prove this, and it is not only pertains to the Townsend Plan, but to every other issue pertaining to labor or other conditions.

Let us not forget that opportunity knocks at our door but once, and with the millions that are identified with the Townsend Plan, and the millions identified with the National Union for Social Justice, our opportunity has never been so ripe, so let us take advantage of it and do our duty.

To neglect our duty at this time will only be a drastic blow to our welfare.

Congressional Defiance

The Senators and Congressmen are defying our challenge, so we must prove to them we mean business. The criticism of the Townsend Plan is fast diminishing, and we are gaining in strength by virtue of its soundness and practicability.

It is the only measure brought before the people that has come anywhere near a solution to the economic problem, and should be

given all the effort that is in any person of sound mind to help put into force; so be on your toes and work as never before, and don't let Congress put over the Administration measure, which we know now, will not come up to the standards of which we are now seeking in the Townsend Plan. The national debt has climbed up to enormous figures, and now with the passage of the \$4,800,000 work relief appropriation bill it has made it almost beyond redemption, and such programs cannot continue, as any sane person can fully realize.

There are many other reasons why the Townsend Plan should be enacted, but the most important question before us now is to flood Congress with our demands for its enactment, so please prove yourself an asset to the cause by writing twice a day or more to your representative.

Sascha Wolas at Carmel Theatre

The first of the series of Friday matinees at Carmel Theatre will take place this week, being a distinguished program by the young Russian violin virtuoso, Sascha Wolas, formerly soloist with the great Leipzig Symphony Orchestra. The Carmel appearance of this brilliant artist will virtually be his American public debut.

A pupil of the celebrated Leopold Auer, Wolas has concertized extensively in Europe. After a private recital in the Gold Ballroom of the Fairmont Hotel in San Francisco, the "Examiner" said, "Sascha Wolas is a virtuoso of tremendous ability and profundity of feeling, destined to make a place of great distinction for himself. . . . an artist of beautiful tone, that can be warm, broad, brilliant, suave or infinitely soft, as he wills. . . . This young Russian needs only to be given the opportunity to be heard in order to be recognized."

The matinee series, which will include stage plays and dance programs as well as music, has been so planned as not to interfere with the regular motion picture schedule. In the summer it will be augmented by a Friday night midnight show, beginning at 11 o'clock. Under the guidance of the Golden

Bough Advisory Council, it is thought by the sponsors that this restoration of the stage of the former Theatre of the Golden Bough may again bring on Carmel the acclaim that was formerly given it as a place of vision and creativeness in drama and music.

Tickets for the Wolas recital, which will take place at 4 o'clock on Friday, may be obtained at Carmel Theatre at all times when it is open to the public for motion pictures. Popular prices will prevail at these matinees.

CARMEL WOMAN'S CLUB

Section meetings for the third week in April will be as follows: The Book Section will meet on Wednesday, April 17, at 10 a. m., at the Girl Scout House. Mrs. Ross Miller will review two books, namely, "A Backward Glance," by Edith Wharton, and Mrs. Winthrop Chandler's "Roman Spring."

The Garden Section will meet on Thursday, April 18, at the home of Miss Anne Grant, Hatton Fields, at 10 a. m. The speaker will be Mr. Laidlaw Williams, who will talk on "Birds in Our Garden."

The Bird Study Group are meeting each Tuesday morning. Those wishing to attend should get in touch with the leader, Mr. Laidlaw Williams for information as to place and hour.

OUTDOOR MEETING IS HELD INDOORS

Inclement weather prevented an outdoor picnic by the Woman's Auxiliary of the Carmel Community Church last Tuesday, but it did not prevent carrying out the day's program, which was held in the church.

A short business meeting was followed by an interesting and informative talk by Mrs. Mabel Turner on her recent visit to the bay bridge, a talk which she repeated the following morning at a meeting of the current events section of the Carmel Women's club.

Plans were discussed for the raising of additional funds with which to carry on the work which is so valuable to the community, and which is so needed at this time.

Mrs. Alex Jones of San Francisco arrived in town Saturday for a few days.

Rain Interrupts Abalone League Baseball Games

By DOC STANIFORD

Sunday's games were again postponed. Rain and wet grounds made playing impossible.

Too bad; we have had rare luck since the season started, but nothing can be done about it.

Three games remain before the season closes. The race has developed into a very interesting contest, with the Pilots, Shamrocks and Giants each having a good chance of landing first honors. Personally I should hate to predict who will be the winner.

The Blues, of course, are out of the race. Too bad, for the team looked good on paper when the season started. But bad breaks made them the tough-luck team of the league.

I received a letter recently from Frank Sheridan and he informs me that Johnnie Sheridan, product of "our own Abalone League" is the star pitcher for Hollywood Hi. I am not surprised because I look for a great future for John should he continue in baseball. He pitched great ball against the U. C. L. A. frosh team, allowing only four hits, striking out eight batters and gave only one base on balls. Hollywood won by the score of 3 to 2, defeating a team which had won 16 straight games, and of course made up of much older players than the Hi team. John has lots of friends here and I know everybody will be glad to know of his great work on the diamond. Particularly pleased will be O. W. Bardarson.

I don't think it a bad idea, if some of our home folks come down to see the Sunset baseball team play a little game known as baseball. They are playing a darn good game.

Mrs. Frances Lowry, a resident of Carmel for the past several months, departed Sunday with Honolulu as her ultimate destination. She went directly to Fresno where she will spend a few days before proceeding to San Francisco where she will embark. Just before leaving Mrs. Lowry purchased a Dodge coupe which she will take with her to the islands.

TOWNSEND CLUB

At an informal meeting of citizens held on Monday night at the home of Mr. and Mrs. H. E. Rogers on San Carlos Street, initial steps were taken for the organization of a Townsend Club in Carmel.

It was voted that a public meeting be held some day next week, time and place to be announced soon. Every person interested should watch for announcements in the papers and be sure to attend.

Easter at the Old Mission

Father Michael D. O'Connell has announced the Easter Week services at Carmel Mission, beginning with Holy Thursday Mass at 7:30 a. m., closing with the special services on Sunday, April 21. After the Thursday mass the Blessed Sacrament will be removed to the Altar of Repose for adoration of the public during the day. Thursday evening at 7:30 there will be special prayer and devotions.

The Good Friday Mass at 7:30 will be followed, from noon until 3 o'clock by Three Hours Agony, conducted by Fathers O'Connell, McDonald and Miller. A feature of special interest at the end of the three hours will be the removal of the Christ from the cross. It will be carried in procession to a side chapel where it will remain until Sunday. This will be only the second time in 150 years that this ceremony has been performed in the old mission.

On Good Friday night at 7:30 the Seven Last Words of Christ, verses of the Stabat Mater, will be given by the augmented choir, under direction of Mrs. Eleanor Ewing Watson. There will be solos and duets by Ruth Cooke, Mrs. Watson and Sam Miller. The Missionary Catechists will assist. The Stations of the Cross will follow.

On Holy Saturday will be the Blessings of the Paschal Fire, baptism and Mass at 7:30. Confessions will be heard morning, afternoon and evening.

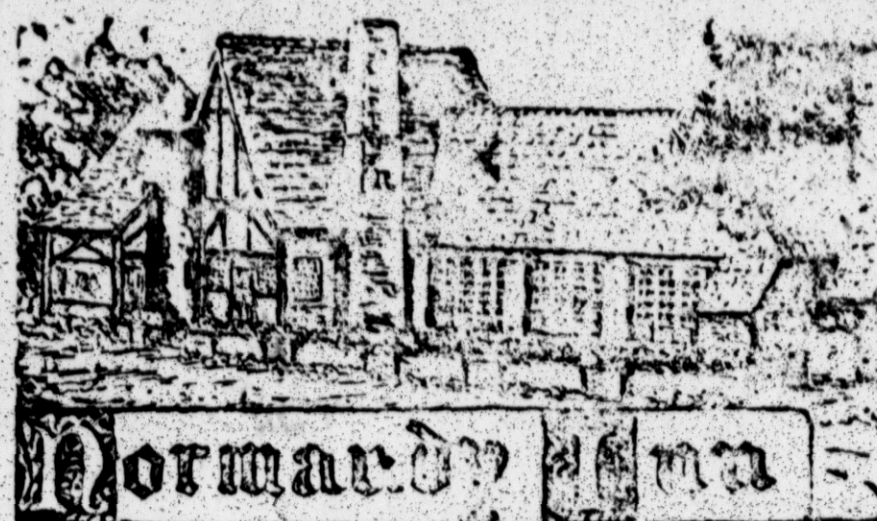

The Easter morning Solemn High Mass will be read at 8 o'clock, followed by an appropriate sermon by Father O'Connell. The choir under direction of Mrs. Watson will sing the kyrie and gloria from the Mass in honor of Our Lady of Lourdes; credo, sanctus and benedictus from Miss Solemnis by the Reverend Father R. J. Sorin. Easter hymns will also be sung. The soloists of Good Friday evening and Andrew Sessink will assist.

CARMEL SCHOOL BOARD HOLDS BUSINESS MEET

Sunset school district trustees met Friday night in Carmel grammar school, but owing to absence of Chairman E. H. Ewig only routine business was transacted. Mrs. Daisy Taylor was in the chair.

Boy Scout executives were granted use of a school room for six nights of instruction for Scout leaders. Mrs. Taylor praised the program and displays offered by the school in observance of national School Week.

There will be a special meeting May 1 to organize the new school board, as Mrs. Taylor's term of office expires and Adolph G. E. Hanke will be inducted in as the newly elected member to serve three years. Mrs. Louis Levenson, board clerk, has two years yet to serve, and Ewig has one year to go.

Hanke has already been given the oath of office by the clerk, but formal induction awaits the May 1 meeting.

Mrs. S. F. B. Morse is giving a dinner party tonight in honor of Mrs. Paul Winslow, who will soon depart for Honolulu for a vacation. The guests will include Mr. and Mrs. Paul Winslow, Mr. and Mrs. Henry Delafield Phelps, Mrs. McKim Hollins, Mr. and Mrs. Byington Ford.

"Doctrine of Atonement" will be the subject of the Lesson-Sermon Sunday, April 21, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The Golden Text will be: "Christ was once offered to bear the sins of many; and unto them that look for him shall he appear the second time without sin unto salvation" (Hebrews 9: 28). Other Bible citations will include: "But now in Christ Jesus ye who sometimes were far off are made nigh by the

blood of Christ. For he is our peace, who hath made both one, and hath broken down the middle wall of partition between us; For through him we both have access by one Spirit unto the Father" (Ephesians 2: 13, 14, 18).

The Lesson-Sermon will also include the following passage from the Christian Science textbook, "Science and Health, with Key to the Scriptures," by Mary Baker Eddy: "Atonement is the exemplification of man's unity with God, whereby man reflects divine Truth, Life, and Love. Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for his we owe him endless homage" (p. 18).

THREE SPEAKERS AT CURRENT EVENTS SESSION

Members of the current events section of the Carmel Woman's club enjoyed three unusually interesting talks at the meeting held Wednesday morning at the Girl Scout house.

Mrs. Mabel Turner spoke of her recent visit to the bay bridge, bringing in interesting personal

sidelights and observations.

Miss Lynda Sargent, who is taking part in "Six Characters in Search of an Author," spoke on Pirandello, his life and his style with an outline of this play and some very interesting comments on Nobel, one of whose prizes Pirandello has received.

Dr. Mary Benton closed the meeting with an inspired talk on peace, which made a deep impression on her listeners.
